Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant noted the amendment filed (February 7, 2007) to overcome Walton, wherein the proposed amendment includes limitations to an extra inlet, extra outlet for reinforcement to the housing and grating. Applicant believes this structure to overcome the prior art Walton. Examiner noted that the amendment had not yet been reviewed by the Examiner and that all amendments and remarks will be considered in the next Office Action. Examiner also noted that the addition of structure will result in another search.
